

BRIAN ONCHURU OMAANYA

Graduate Engineer

BSc. Agricultural and Biosystems Engineering

Personal Details

Field	Details
Name	Brian Onchuru Omaanya
Date of Birth	6 th January 1997
Gender	Male
Nationality	Kenyan
ID Number	33262579
Phone Number	+254 702 878 624, +254 700 650 872
Email	brianomaanya@gmail.com
Address	P.O. BOX 43844 – 00100, Nairobi, Kenya P.O. BOX 1108 – 40200, Kisii, Kenya
Languages	English, Kiswahili, Kisii
Religion	Christianity

Career Objectives

Objective
To become a proficient Agricultural and Biosystems Engineer with expertise in agriculture, soil, water, and environmental fields.
To create sustainable engineering solutions while considering health, safety, and environmental factors.
To contribute positively to national and global growth and seek continual learning opportunities.
To demonstrate leadership and embrace teamwork in a dynamic work environment.
To remain adaptable and pursue personal and professional development.

Profile

Skills & Expertise
Experienced in applying engineering principles to agriculture, water, soil, and environmental sectors.
Skilled in research and development to improve efficiency and profitability.
Proficient in managing engineering projects and achieving positive results.

Educational Qualifications

Year	Institution	Qualification
January 2024	Meru University of Science and Technology	Certificate in WASH in Emergencies
2014 – 2019	Kenyatta University	BSc. Agricultural and Biosystems Engineering (Upper Division)
2010 – 2013	St Joseph’s School Rapogi	KCSE: A-
2008 – 2009	St. Don Bosco Primary Boarding School	KCPE: 371
2002 – 2007	Amariba Primary School	-

Professional Qualifications

Year	Institution	Certification
Jan 2018 – Apr 2018	Kenyatta University	Certificate in Leadership and Mentorship Program
May 2018 – Jun 2018	Alison Online Platform	AutoCAD Certification
May 2014 – Jul 2014	Texas Training College	Certificate in Computer Studies

Professional Memberships

Organization	Membership Number	Status
Engineers Board of Kenya	B24471	Good Standing
Kenya Society of Environmental, Biological, and Agricultural Engineers (KeSEBAE)	K22143	Good Standing
The Institution of Engineers of Kenya	G.14574	Good Standing

Employment History

Organization	Position	Dates	Roles and Responsibilities
Engineers Board of Kenya (EBK)	Graduate Engineer	June 2024 – Present	Offering engineering services in Kisii County
National Agricultural Value Chain Development Project (NAVCDP)	Agricultural Engineer Intern	Oct 2023 – May 2024	Managed land management, irrigation, and mechanization
National Agricultural Value Chain Development Project (NAVCDP)	Enumerator/Agripreneur	Sep 2023 – Oct 2023	Data entry, communication, conflict resolution
National Agricultural and Rural Inclusive Growth Project (NARIGP)	Paraprofessional (Skilled Youth)	Jun 2023 – Aug 2023	Managed watershed data and communication
National Agricultural and Rural Inclusive Growth Project (NARIGP)	Paraprofessional (Skilled Youth)	Apr 2023 – May 2023	Data recording and people management
Kenyan General Election, 2022	Presiding Officer	Aug 2022	Data management and conflict resolution

Fieldwork Activities

Institution	Activity	Dates
Chandaria Business Innovation & Incubation Centre	Innovation Incubatee	Jan 2020 – Present

Training and Conferences Attended

Conference	Location	Dates	Activity
Engineering Partnership Convention (EPC) 2026	PrideInn Flamingo Beach Resort & Spa, Mombasa.	21 th April 2026 – 24 th April 2026	Blueprint for Prosperity: Engineering a Sustainable Blue Economy
Engineering Partnership Convention (EPC) 2025	Lake Naivasha Resort, Nakuru	5 th May 2025 – 9 th May, 2025	Engineering a Digital World
Kenyatta University Innovation Day	Kenyatta University, Nairobi	1st Feb 2024	Exhibited innovation on wastewater treatment
WASPA Youth & Women Conference	Naivasha, Kenya	30th Jun – 2nd Jul 2021	Presented on solar-powered wastewater treatment
KeSEBAE Annual 2019 Conference	University of Nairobi, Kenya	14th – 15th Nov 2019	Presented paper on wastewater treatment
Kenya Sanitation Conference 2019	Ministry of Water, Sanitation, Kenya	28th – 31st Oct 2019	Showcased wastewater treatment innovation
KUBRIC 2019	Kenyatta University, Kenya	22nd – 25th Oct 2019	Exhibited wastewater treatment innovation

Awards

Award	Conference/Organization	Achievement
Engineering Recognition and Excellence (EREA) 2026	Engineering Partnership Convention (EPC) 2026 Engineers Board of Kenya	Graduate Engineer of the Year 2026
VIJANAA AND DADA Sanitation Award	WASPA Youth and Women Conference 2021	Position 1
IKO SAFI Innovation Award	Kenya Sanitation Conference 2019	2nd Runners-Up

Technical Skills

Skill	Description
Computer and CAD Proficiency	Skilled in using design software for engineering tasks.
Watershed Modeling	Experienced in watershed data analysis and management.
Engineering Systems Design	Expertise in developing engineering solutions for agriculture.
Programming & Data Analysis	Proficient in programming languages for data analysis.
Report Writing & Project Management	Experienced in preparing detailed reports and managing projects.

Interests

Interest	Description
Research	Pursuing innovative solutions in engineering.
Innovation	Focused on creative problem-solving approaches.
Agripreneurship	Engaging in agricultural entrepreneurship.
Fieldwork	Hands-on engagement in agricultural projects.
Entrepreneurship	Exploring and implementing business opportunities.

Personal Strengths

Strength	Description
Innovative Thinking	Proactive in generating new ideas and solutions.
Adaptability	Quick to adjust in dynamic work environments.
Teamwork	Effective in collaborating with diverse teams.
Commitment to Excellence	Dedicated to delivering high-quality work.
Networking	Skilled in building and maintaining professional relationships.

Language Proficiency

Language	Reading	Writing	Speaking
English	Excellent	Excellent	Excellent
Kiswahili	Excellent	Excellent	Excellent
Ekegusii	Excellent	Excellent	Excellent

Referees

Name	Position	Contact
Eng. Dr. Fidelis N. Kilonzo, PhD, PE	Executive Dean, School of Engineering, Kenyatta University	Phone: +254 725 396 620, Email: kilonzo.fidelis@ku.ac.ke
Mr. Samuel Oduor Okumu	County Project Coordinator, NAVCDP, Kisii County	Phone: +254 722 551 646, Email: navcdp@kisii.go.ke
Mr. Evans Nyamache	County Capacity Building Officer, NARIGP, Kisii County	Phone: +254 716 899 631, Email: narigp@kisii.go.ke
Benedicto O. Omurwa	Ag. Director, Dept. of Agricultural Engineering, Kisii County	Phone: +254 710 304 330, Email: omurwabenedicto@gmail.com
Principal, St. Joseph's School Rapogi	-	Phone: Provided upon request
Manager, Texas Training College	-	Phone: Provided upon request
